

December Special Edition Newsletter

Help us reach our goal!

MATCHING GIFT DONATION OPPORTUNITY

For the month of December, Twelve Stones Christian Academy has been offered a \$5000 matching gift! This means that until the end of the month, every dollar given to the school will be doubled up to \$5000 which has the potential to give the school \$10,000. What a blessing this would be!

As we are a new school in our 2nd year, there are still many needs that we have. Our two highest priorities are:

- science lab equipment
- professional (and reliable!) printer/copier for our staff

We would need most of the \$10,000 to purchase these items. We are thankful and excited for the donations that have come in and achieved 38% of our goal! We are praying to receive an additional \$3087.67 before the end of the year to take full advantage of this generous matching offer.

Would you consider giving an end-of-year donation to Twelve Stones?

As a reminder, all donations given to Twelve Stones are tax deductible. To donate, you can mail a check to the school address: PO Box 567, Hebron, KY 41048. For credit card or electronic check, click [HERE](#) to be re-directed to the donation page on our website.

Thank you for your consideration in supporting Christian education with a biblical framework!

STUDENT TEACHER

We are excited to have Miss Betsy Poe with us next semester as a student teacher in 4th and 5th grade! She will be working closely alongside Miss Byer. More information will be sent via email for those in Miss Byer's class.

MATH TEACHER

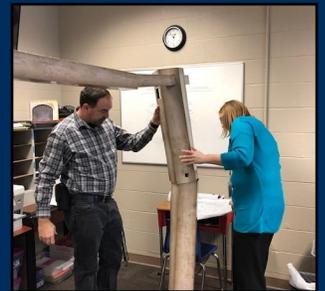

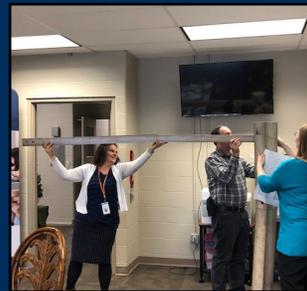

As Dr. Bergren is due with her first child at the end of January, her last day with us will be December 21st. We are so thrilled for Dr. Bergren as she steps into the new role of being a mom. She has been such a blessing to us and she will be missed.

We are thankful for Mr. David Kalfas who will be joining us next semester to pick up where Dr. Bergren left off for 6th through 8th grade math. Mr. Kalfas graduated this December with his B.S. in Math from NKU. Parents will be able to meet Mr. Kalfas at our parent meeting on January 18.

SUCCESSFUL 2ND YEAR CHRISTMAS PROGRAM

Our Christmas program this month journeyed through 7 big milestones in the Bible: Creation, Corruption, Catastrophe, Confusion, Christ, Cross, and Consummation. It's always important to lay the foundation for WHY Christ came to earth as a baby or else the meaning of Christmas is lost. The students did such a wonderful job through song and Scripture to honor Christ!

Our staff also did a great job in all the behind the scenes work that it takes to put on a program. The assembly of the stable sure created a lot of laughter, but in the end, we won!
